**PLAINTIFF BRYAN ANTHONY REO’S VERIFIED MOTION FOR ORDER
COMPELLING DEFENDANT MARTIN LINDSTEDT TO SHOW CAUSE AS TO WHY
HE SHOULD NOT BE HELD IN INDIRECT CIVIL CONTEMPT OF COURT**

NOW COMES Bryan Anthony Reo (“Plaintiff”), *pro se*, and hereby propounds upon Martin Lindstedt (“Defendant”) and this Honorable Court Plaintiff Bryan Anthony Reo’s Verified Motion For Order Compelling Defendant Martin Lindstedt To Show Cause As To Why He Should Not Be Held In Indirect Civil Contempt Of Court:

1. On September 28, 2020, the Court issued its Order which pertinently granted a permanent injunction which forever enjoins Defendant to “(1) cease and desist from making or publishing statements regarding Plaintiff’s lawsuits, legal practice, and business dealings that are the same, or significantly similar, in nature to the statements the court has found to be defamatory in this case; and (2) to the fullest extent possible, Defendant shall remove or cause to be removed from

all websites and publications all statements Defendant has made that this court has found to be defamatory, as well as any statements similar in nature published during or before the current proceedings regarding Plaintiff's lawsuits, legal practice, and business dealings." (ECF No. 44, PageID. # 494).

2. Defendant has actual knowledge of the Court's September 28, 2020, Permanent Injunction; to wit: on September 28, 2020, Defendant posted on Defendant's website at <http://www.whitenationalist.org/forum/showthread.php?2175-Bryan-Reo-v-Martin-Lindstedt-19CV001304&p=21830#post21830> an offensive screed which references the Court having given "summary judgment to Ol' Niggerlips":

Pastor Lindstedt finds out just as Atonement ends that the federal nigger judge gives a summary judgment to Ol' Niggerlips

* * *

Just as the Day of Atonement was about to end this reporter from the Cleveland Plain Dealer called me up and **asked my opinion on this federal judge's giving summary judgment to Ol' Niggerlips / Bryan Reo** of the ZOGbot Poverty [F]Law Center.

Upon finding out that it was the Solomon Oliver case I of course said that I'd file a Rule 59(e) Motion to Reconsider. I pointed out that as probably the only real open White Supremacist -- a "White Nationalist" is a ZOGling whigger, jew or mamzer pussy too chickenshit to admit that White People shouldn't have to live in the same country as non-whites and jews claiming that they want a "pissful separation" to be given them by ZOG/Babylon as opposed to gaining it the old fashioned way through civil war and genocide.

Of course I was thoroughly racist in promoting racism. The reporter said that he couldn't repeat verbatim what I said. I said that this was exactly the position of the Daily Capital Journal of Pierre South Dakota. But everything I said was on the record and by the way I was recording this as well. So we'd see what was got.

I pointed out that what was it to me if a nigger judge destroyed the Myth of the First Amendment. My position is that a Satanic mamzer faggot ZOGbot Abomination could have stopped fighting with me back when I found out that "SwordBrethren" was none other than Bryan Reo of Mentor Ohio. Ol' Niggerlips (my nickname for Bryan Reo as what non-white pretend White Supremacist calls itself Ol' Niggerlips

-- a shitskinned slant-eyed unbrowed jewboy mamzer faggot playing at White Supremacist that's what) even won a gag order and they will be holding a hearing for "damages."

My position is that NorthEastern Ohio needs to be destroyed absolutely. I think within the next few years that White Supremacist Warlords can chernobylyze the North Perry Nuclear Power Plant by cutting off the water and fuel supply and causing this aging reactor to melt down just to show that us Warlords mean business. None of us budding White Supremacist warlords running local theocratic military dictatorships can afford to let Northeastern Ohio exist, certainly not as an antifa shithole which drags Aryan Nations pastors and their Churches to face trial by nigger and gliberal whigger lynch mob jurors. Every single pig, lawyer, judge, plutocrat and politician that refuses to live and let live needs to be exterminated, along with the majority of the population with the rest enslaved.

The thirty-eight minute interview with the reporter is recorded below.

3. Defendant is willfully acting in violation of the Court's September 28, 2020, Permanent Injunctive Order; to wit: On 3/16/2021 Defendant sent the attached email [Exhibit 2] to the following entities- Cleveland Plain Dealer, News Herald, Washington Post, New York Times, Columbus Dispatch, Southern Poverty Law Center. Defendant is clearly attempting to take his campaign of libel against Plaintiff from Defendant's relatively obscure website to a national and international audience. He has posted a copy of the email on his website, <http://www.whitenationalist.org/forum/showthread.php?2169-Reo-v.-Lindstedt-Appeal-2019-L-073-amp-074&p=22555#post22555>

4. The offensive nature of Defendant's publication speaks for itself and repeats almost verbatim some of the content that this Court deemed defamatory and ordered removed and not repeated/republished on September 28, 2020.

5. Although courts possess an inherent power to enforce obedience to their orders so that they may properly perform their functions, *Myers v. United States*, 264 U.S. 95, 103 (1924), the federal courts' contempt power is limited by 18 U.S.C. § 401 and by Fed. R. Crim. P. 42. See *United States v. Wilson*, 421 U.S. 309, 315 n. 6 (1975); *Nye v. United States*, 313 U.S. 33, 45 (1941). Accordingly, all forms of contempt, whether they be criminal, civil, indirect or direct, must fall within one of the three categories of misbehavior described in 18 U.S.C. § 401. Indirect contempts come within 18 U.S.C. § 401(2) or (3), and the “so near thereto clause” of 18 U.S.C. § 401(1).

6. Attached to this Motion is Plaintiff’s Declaration, which is incorporated by reference as if fully set forth herein. (Exhibit 1 – Declaration of Bryan Anthony Reo).

7. Defendant can and should be held in indirect civil contempt of court and punished accordingly.

8. This Motion is made pursuant to 18 U.S.C. § 401(1) and (3).

WHEREFORE, Plaintiff prays that this Honorable Court will issue an order to compel Defendant to show cause as to why Defendant should not be held in indirect civil contempt of court and punished accordingly. Plaintiff proposes that if Defendant is found to be held in indirect civil contempt of court, that Defendant be ordered to pay Plaintiff an amount of money reasonable in light of Plaintiff’s ongoing damages and Defendant’s flagrant non-compliance. The amount chosen must be sufficient to reasonably compensate Plaintiff for reputational damage and to procure Defendant’s compliance with this Court Order. Plaintiff respectfully requests \$1,000.00 [one thousand dollars] per day, for every day of non-compliance, beginning from September, 28, 2020, and continuing until such time that Defendant provides this Court with proof of his compliance with the Order issued by this Court on September 28, 2020.

Respectfully submitted,
